The Road Race Lincoln Register's (RRLR) 2010 Eastern National Meet, *Lincolns at Acadia*, will be held from Thursday, September 9th through Sunday, September 12th on the Atlantic Ocean in Bar Harbor, Maine in the shadow of Acadia National Park, one of America's most scenic areas.

Our host hotel will be the Atlantic Eyrie Lodge which sits high on a side hill overlooking Frenchman's Bay with its breathtaking view of the Atlantic Ocean. It is located near the International Ferry Terminal, Acadia National Park with its famed Mount Cadillac and only a short walking distance to downtown Bar Harbor.

A view of Frenchman's Bay from the Hotel – all rooms face the ocean.

Each room has its own private balcony facing the ocean and all upper level rooms in particular have a commanding view of Frenchman's Bay. The pool area also faces the ocean and is a great place to hang-out and relax. The hospitality room will be close by!

The rate for upper level double rooms will be \$115 plus tax per night. There will also be 23 lower level double rooms available for \$99 per night plus tax. Please reserve your room by calling the Atlantic Eyrie Lodge at (207) 288-9786, 1-800- HABA-VUE or by e-mail at info@atlanticeyrielodge.com. The hotel is located at 6 Norman Road (off Highbrook Road) in Bar Harbor, ME 04609. It is easily accessed from Route 3 (Eden Street) on the way into town, just beyond the International Ferry Terminal.

Unrestricted views of the ocean from your room and balcony.

There is plenty to see and enjoy on Mount Desert Island, home to Bar Harbor and Acadia National Park. The views from the park's Loop Road along Ocean Drive and from atop Mount

Cadillac are absolutely spectacular – one of Mother Nature’s most amazing achievements!
(Accordingly, we could have very well called this meet “*Lincolns On Top of Cadillac*”!)

Left - Spectacular Ocean Scenery; Right - Typical view from Ocean Drive

There will be a full schedule of events available for the duration of the Meet. The problem is that there are simply too many things to choose from within the short time available to do them! Some of the things currently being planned center around some really nice and enjoyable driving tours around the island and Acadia National Park, such as a drive to the top of Mount Cadillac with its sweeping views of Bar Harbor below and the Atlantic Ocean beyond, a leisurely drive down Ocean Drive to enjoy spectacular ocean views all along the way and to see such natural wonders as “Thunder Hole” as well as to meander through a number of quaint harbor villages. There will be plenty to see and do along the way, including a special stop at the Seal Cove Auto Museum on our island tour, a gem of a place tucked in off the beaten path... google it and see why!

In addition to our traditional Saturday evening Banquet, a genuine New England Clambake is also being planned featuring “all of the fixin’s”. More information will be available by early summer. Meet packets will be available the first of June by contacting Peter or Shelly Hanson,

21 Norway Drive, Chelsea, ME 04330-1023. Phone (207) 622-4256 or e-mail pvhan@roadrunner.com.

This will be our first multi-club Lincoln Meet – it is already planned as a Joint Meet with the New England Region, Lincoln & Continental Owners Club, all other Lincoln clubs are very much welcomed to join us... stay tuned!
